

**MELBOURNE**  
INSTITUTE OF TECHNOLOGY

## **CASUAL LECTURERS AND TUTORS**

MIT seeks expressions of interest from appropriately qualified and experienced staff to lecture/conduct laboratory sessions/ tutor undergraduate/ post-graduate courses in Business, Marketing, Management, Accounting and Information Technology, Engineering. MIT offers its own courses, and courses are also taught on behalf of Federation University (*FedUni*) at the MIT Melbourne and Sydney Campuses.

### **Opportunities are in the following units:**

#### **School of Business**

Undergraduate units/Topics: Digital Marketing, Content Creation & Management, Designing the User Experience, Commercial Law and Company Law.

#### **Required Qualifications and Experience**

A master degree or equivalent professional digital marketing experience is required.

To teach Bachelor degree programs at MIT, as a minimum, a Master degree with extensive industry experience over many years and tertiary teaching experience are required. Online/eLearning and project supervision experience would be an advantage.

A position description is available at: <http://www.mit.edu.au/about-mit/jobs-mit>

Applications addressing the selection criteria, and including a current resume and the names and contacts of 3 referees should be sent to:

Head, School of Business, the Argus Level 6, 288 Latrobe Street, Victoria 3000. Or via e-mail at: [hrm@mit.edu.au](mailto:hrm@mit.edu.au) by **COB Friday 13<sup>th</sup> July, 2018**.

MIT is an equal opportunity employer
