

POSITION DESCRIPTION –SCHEDULE A

POSITION DESCRIPTION DOCUMENT PURPOSE

The purpose of this position description document is to provide a description of the role, and how that role fits within Melbourne Institute of Technology (MIT) as an organisation.

This document is not comprehensive, but provides an outline of key areas of accountability and desired outcomes to demonstrate a satisfactory performance of the role. It does not provide an exhaustive list of tasks and activities to be performed in order to fulfil the role; thus, extra activities not listed here may be required of the position in the discharge the duties.

POSITION DETAILS

Position Title:	Senior Lecturer in Management and Communications
School / Division:	School of Business
Campus:	Sydney
Employment Mode	Fixed 2 year contract. Extension of contract is subject to job performance.
Time Fraction	Part Time 0.6

ROLE

To provide academic leadership in designing, coordinating and teaching units in the courses offered by the School of Business, and to assist in the coordination and management of these units. The position contributes to the School achieving its objectives and goals, which in turn support the vision and strategic aims of the institution. The teaching and learning (T&L) and coordination responsibilities of the position include unit development, unit delivery, program coordination and student advice.

A primary focus of this position is to make a strong contribution to continually improving MIT's quality of services, by actively developing high quality, research-informed T&L material, coordinating courses and identifying and responding to student needs.

The position reports to the Deputy Head of School of Business or nominee.

MIT VISION AND GOALS

Founded in 1996, Melbourne Institute of Technology (MIT) has grown dynamically as one of the leading private, higher education providers in Australia with campuses in Melbourne and Sydney. MIT is a teaching only Higher Education Institution. Our vision, mission, values and goals as approved by the MIT Board of Directors in December 2017 are set out below.

Vision

MIT continues to be a leading private higher education provider nationally and internationally by proactively developing innovative educational programs to meet industry needs and by a commitment to inspire tomorrow's graduates.

Mission

MIT, through its higher education programs and personalised and transformational student experience, provides the opportunity for individuals to access knowledge and to enrich and transform their futures.

Values

- Excellence in teaching and learning;
- Integrity;
- Accountability and
- Transformational Change.

Goals and Priorities:

- Develop and deliver innovative programs that meet industry and market needs;
- Provide an inclusive, service-oriented culture focused on student outcomes;
- Raise our profile and the impact of our teaching and learning and student engagement with our stakeholders;
- Provide inclusive, innovative and responsible education

Enabling Elements:

- Our people
- Technology

MIT ORGANISATIONAL STRUCTURE

MIT business model comprises Four (4) key focus areas as guided by its vision. Academia, Finance, Marketing and operations. Our organisational structure is designed to ensure each of these areas is fully resourced.

Our Executive Management Team is responsible for the development of our strategic plan and effective implementation of strategies across all business areas. It comprises our:

- Chief Executive Officer
- Managing Director
- Executive Dean and
- Group General Manager

RESPONSIBILITIES

The Senior Lecturer in School of Business is responsible for providing academic leadership in the development and delivery of units in MIT Business courses (Bachelor and Masters) and related scholarly activities. The position should undertake continuous assessment of the contents and T&L methods of allocated units, and propose, agree, implement and evaluate the necessary changes. The Senior Lecturer should be proactive, show initiative, demonstrate interest in the students' learning, and incorporate innovation in his/her teaching. The position often must coordinate activities with academics in both campuses under the direction of the Head of School, Deputy Head of School and Course Coordinators, by providing materials and supporting his/her colleagues in their teaching.
